ANNEXURE TO NOTICE

Explanatory Statements under Section 102 (1) of the Companies Act, 2013.

Item No.4

Section 180(1)(c) of the Companies Act, 2013 requires that the Board of Directors shall not borrow money in excess of the company's paid up share capital and free reserves, apart from temporary loans obtained from the company's bankers in the ordinary course of business, except with the consent of the company accorded by way of a special resolution. It is, therefore, necessary for the members to pass a Special Resolution under Section 180(1)(c) and other applicable provisions of the Companies Act, 2013, as set out at Item No. 4 of the Notice, to enable to the Board of Directors to borrow money (apart from temporary loans obtained from the Company's bankers in the ordinary course of business) in excess of the aggregate of the paid up share capital and free reserves, which is negative as on date, provided that the total amount along with already borrowed and outstanding, if any shall not exceed ₹ 50,00,00,000.00 (Rupees Fifty Crores).

Hence, in the Board Meeting dated 27.05.2015, the directors had proposed this resolution for approval of members by passing special resolution. Shareholders may note that Due to inadvertent omission, the item was not taken up in the Annual General Meeting dated 30.09.2015

The Board commends to pass the resolution as Special Resolution. None of the Directors and Key Managerial Personnel of the Company and their relatives is in any way concerned or interested, financial or otherwise, in the resolution set out at Item No. 4 except to the extent of their shareholding.

Item No.5

Pursuant to the provisions of Section 186 of the Companies Act, 2013 and rules thereunder, the Company can make loans to, give guarantees, provide securities to and make investments in the securities of any other person/other bodies corporate to the extent of 60% of its paid-up share capital, free reserves and security premium account or 100% of its free reserves and security premium account, whichever is higher, with the approval of the Board of Directors. Where the aggregate of loans and investments made, guarantees given and securities provided exceeds the aforesaid limits, prior approval of the shareholders is required by way of a special resolution.

However, during the financial year 2015-2016, the Board of Directors of the Company had invested ₹ 9,50,000/- (Rupees Nine Lakhs Fifty Thousand only) in 50,000 fully paid up Equity Shares of M/s. Eldorado Investment Co. Private Limited at the rate of ₹ 19/- (Rupees Nineteen only) per share which exceeds the limits specified in Section 186(2) of the Companies Act, 2013 since the Company has negative Networth (aggregate of the paid up capital and free reserves). Due to inadvertent omission, the company could not obtain prior approval of shareholders and hence, the Directors have proposed this resolution for approval of members by passing special resolution and ratify the abovementioned investment.

The Board commends to pass the resolution as Special Resolution. None of the Directors and Key Managerial Personnel of the Company and their relatives is in any way concerned or interested, financial or otherwise, in the resolution set out at Item No. 5 except to the extent of their shareholding.

Item No. 6

The existing Articles of Association which were adopted in 1995 are in line with the erstwhile Companies Act, 1956, which are thus no longer in full conformity with the Companies Act, 2013 ("New Act"). The New Act is now largely in force. With the coming into force of the New Act several articles of the existing Articles of Association of the Company require alteration/deletions. Given this position, it is considered expedient to wholly replace the existing Articles of Association by a new set of Articles.

The copy of the draft Articles of Association shall also be available for inspection between 2.00 p.m. and 4.00 p.m. on any working day excluding Saturday.

Your directors recommend the proposed resolution for your consideration and adoption of the new set of Articles of Association of the company to replace of the existing Articles of the company.

To,

The Members,
Maha Rashtra Apex Corporation Limited
BENGALURU

1. Along with statements pursuant to Section 212 of the Companies Act, 1956 the Form AOC-1 is also presented.
2. The Company is repaying its debts after getting sanction from Karnataka High Court under Section 391 of the Companies Act, 1956. At present the Company is not doing any business except collection of loans and repayment of deposits. Due to financial position of the company it is a hardship on the company to remunerate internal auditor as per market standards.
3. It will be ensured that effective from General Body Meeting in September, 2016 the company will allow voting right to preference shareholders. Requisite notice will be sent to them.
4. The Company will arrange to file the Form MGT.14 for the board resolution passed on 27.05.2015.
5. By oversight the prior approval from the Shareholders before purchase of shares of M/s Eldorado Investments Company (P) Ltd shares was not taken. The company intends to obtain the requisite approval from shareholders in the ensuing annual general meeting
6. Documents pertaining to the said lease are not traceable since a lot of time has elapsed. The management confirm that the transactions are on arms length basis. M/s Mangala Investments Ltd, and Rajmahal Hotels Ltd were provided a small office space and they are regularly paying rent. A fresh approval for the lease was taken in the board meeting held on 13.8.2016.
7. As the focus is only on collection of loans and repayment deposits the appointment of CFO is considered not necessary. Further, due to financial constrains it is a hardship on the company to remunerate CFO as per market standard.
8. An error has crept into SHP submitted on 31-12-2015. In the SHP as on 31.03.2016 – the said change in shareholding is correctly reflected

Annexure 'B' to the Auditors Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of MAHA RASHTRA APEX CORPORATION LIMITED ("the Company") as of 31 March 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of un-authorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure A to the Independent Auditors Report - 31st March 2016

In conjunction with our audit of consolidated financial statements of the company as of and for the year ended 31 March 2016, we have audited the internal financial controls over financial reporting of MAHA RASHTRA APEX CORPORATION LTD., as of that date.

Management's Responsibility for Internal Financial Controls

The Holding Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Controls over financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to holding company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the companies Act 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding company's Internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the guidance note on audit of Internal financial controls over financial reporting (the 'Guidance Note') issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning Of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statement for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisation of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls over Financial Reporting

Because of the Inherent limitation of Internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatement due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods be detected. Also, projections of any evaluation of the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In Our opinion, the Holding Company has, in all material respect, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2016, based on the internal Control over financial reporting criteria established by the Holding Company considering the essential components of Internal controls stated in the Guidance note on Audit of Internal Financial Controls over Financial Reporting issued by the ICAI.
